

# POWER PLANT SPARE PARTS

 **Spain** • Very near to Tarragona port.

GE SPARE PARTS AMONG OTHER BRANDS FOR GAS TURBINE,  
STEAM TURBINE AND GENERATOR

PERIOD FOR PRESENTING OFFERS IS ALREADY OPEN!

\*POSSIBILITY TO MAKE A VISIT.

Visits will take place when  
the current sanitary  
situation allows them.

Available a complete inventory of consumable and spare parts from combined cycle plant. Spare parts are mainly pieces and auxiliary equipment that are part of the stock provided by the manufacturer.

Due to a premature closure of the plant the spare parts have not been used and are in the warehouse of the plant. **Full list of spare parts as well as the manufacturer's code is available.**
